

# ENGLISH COURSES

English may not be the most spoken language in the world. Nevertheless, English is indisputably widely recognized as a global lingua franca. English is not only one of the six official languages of the United Nations, but it is also spoken commonly in the corporate and academic fields. People who speak English are believed to have a door opened for them to see, understand, and connect with the world.

At Kingsgate, our courses empower students to build solid foundation in English language, hence widen their international perspectives in their life journeys. Our distinctive approach to learning with the flexibility of online and campus studies, as well as structured teaching modules make Kingsgate International College more than just a school. It is a unique life experience. We look forward to seeing our students embracing their life joyfully connecting across continents in the globe.

## FLEXIBLE LEARNING PROGRAM

With Kingsgate, you can enjoy the luxury of adapting your own schedules in our campus studies and online learning platform.

The data in our online learning platform is available 24 hours for our students.

## EXPERIENCED AND TRAINED TEACHERS

English language teacher educators (TEs) have a significant role to play in affecting the quality and accountability of rapidly spreading and evolving English language education.

Our accredited teachers are well-trained and have strong knowledge about the English language, teaching methods, and approaches to build a solid foundation in the respective learning and development of individual students.

## AFFORDABLE COURSE FEE

Kingsgate provides an endless number of ways to make studying abroad not only possible but even affordable!

We understand that studying in the UK is a big financial investment, so we make studying at Kingsgate reasonable by ensuring our tuition fees are competitive.

Hours

## GENERAL ENGLISH

+44 207 060 6899

- Improving your everyday English
- Beginner to Advanced levels
- Flexible learning methods according to student's level

General English is always our most popular English course and is available for every level from complete beginner through to advanced.

With our General English 15, students are taught with structure educational program to polish their fluency.

Our teaching methods aim to develop communication skills, with an emphasis on speaking, pronunciation, grammar and listening.

30  
Hours

## INTENSIVE ENGLISH

- Learning English fast
- People with limited time in the UK
- 30 hours per week

Ideal for students whose time to study is limited or simply wanting to improve their English quickly.

Our Intensive English courses help students to communicate easily and confidently in English. Students practise authentic English in a variety of ways including group work, pair work and individual work.

Your level will be tested at the start of the course.

## IELTS EXAM ENGLISH

- Improving key skills for exam success
- Essential for gaining access to international universities
- English exam preparation for Cambridge IELTS Exam

The International English Language Testing System (IELTS) is the world's most popular English language proficiency test for higher education. IELTS assesses all of one's English skills — reading, writing, listening and speaking, and is designed to reflect how the person will use English to study, work and play, in your new life abroad.

Our course helps students develop the academic reading and writing skills, and confidence, for university life — and beyond!

Our teachers have helped many students achieve satisfying IELTS score for their academic enrolment needs.
